

# Call for workshop proposals

***The European Network of Outdoor Sports is delighted to announce that abstract submissions are now open for the 6th Outdoor Sports Euro'Meet 2022 which will take place in Silkeborg in Denmark on 14th – 16th September 2022.***

The organising committee of the 6th Outdoor Sports Euro'Meet is pleased to invite proposals for workshops to be held within the main conference. The goal of the workshops is to provide additional opportunities for discussing for example ideas, experiences with outdoor projects, results of research finished or in progress. The workshops will be dedicated to exploring the current status, challenges, and perspectives of outdoor sports and future directions in achieving development and progress for the sector within the theme and topics of Euro'Meet 2022.

The objective of the workshop may be to inspire, to share practice, to debate, to discuss challenges, to propose solutions, to develop or propose a venture, to identify priorities and issues. Workshop proposals may be practical or more theoretical, be based on research, programmes, policy, education, tools and good examples from the field.

## **Particular priority will be given to:**

- Innovative and inspirational approaches
- Highly interactive and collaborative formats which require the active involvement of the participants rather than mini conferences
- Cross-sectoral and transdisciplinary collaboration
- Promote action taking
- Are relevant to a broad audience

## **Topics**

Your workshop proposal should address the overall theme of EuroMeet 2022 “Green sports for a greener and healthier Europe” and one or more of the topics of the EuroMeet:

- Balancing Access, Activities and Protection
- Be Active, Be Healthy, Be Outdoors
- Welfare and the power of the outdoor

We welcome contributions from a range of fields, such as, but not limited to development, policy, education, research, environmental transition, environmental issues, participation, access issues, technology and information systems, health, inclusion, safety, research, welfare, active development, management of visitors, active tourism, funding, workforce skills, training, social and environmental justice, economics, governance, sociology, and law...

### **Workshop duration**

45 minutes

### **Total number of workshops sessions opened to the call**

20 (5 sessions in parallel) - 4 rounds

### **Who can submit an application?**

Any organisation participating to the conference

### **Documentation of the workshop**

The workshop must be documented so the outcomes can be shared and disseminated outside the group physically attending the workshop.

You will, therefore, be asked to write a short summary with key points and reflections from the workshop regarding your presentation. The summary will be made available for the Euro'Meet participants during the EuroMeet so the participants can continue their discussions.

### **Dates**

Opening of the call: 18th February 2022

Workshop proposal submission Deadline: 31st March 2022

Notification of successful workshop proposals: 10th April 2022

Final programme available Online: 01st May 2022

### **Submission Process**

The workshop proposal must be submitted using the dedicated form and latest by March 31st 2022. Proposals must be submitted in english.

**[SUBMIT A WORKSHOP PROPOSAL](#)**

## The selection process & selection committee

Workshop proposals will be selected according to the relevance to the theme of the conference, the quality of the design, the level of interactivity and innovative aspects to the proposal using an agreed scoring system.

### THEME OF THE CONFERENCE

The selection of workshop proposals will be coordinated by the Euro'Meet Steering Group and composed of representatives from the ENOS Board and the local steering committee as follows:

- Jeppe Lynggaard Thøgersen (Silkeborg Municipality & ENOS Board member)
- Joao Zamith (Surfclub Viana & ENOS Vice chair)
- Mark Torsius (IMBA Europe & ENOS board member)
- Professor Eduard Ingles Yuba (INEFC, Catalonia & ENOS Board member)
- Maxine Gregory (Sheffield Hallam & ENOS Board member)
- Simon Christensen (Silkeborg Municipality)
- Benjamin Billet (CREPS Rhone Alpes Secretariat for ENOS)
