

More sustainable guiding webinar

HOW TO RECONNECT?

Thu 13th of June 2024 at 12.00-16.00 (UTC +3) | Open Zoom Webinar

WHY:

- Developing sustainability competence for outdoor sports guides and teachers
- Spreading results and knowledge through ENOS (European network for outdoor sports)
- Open webinar for sharing knowledge and new innovations

HOW:

- Students present new and innovative ways to create more sustainable practices for guiding outdoor sports and other outdoor activities through different elements of nature (water, rock, forest and fell)

JOIN:

- Thu 13th of June 2024 at 12.00-16.00 (UTC +3)
